Our smaller children have gone for an Adventurers camp in North London. Please remember them in your prayers.

VBX

VBS will be held from the 12-16th August. The children's ministries are asking for your help once again. It would be lovely to have you for the whole week but if you are only able to manage a day or two they would be grateful. Please speak to Sister Vicky or Sister Tasha to let them know your availability.

17-23 June 2019
Pontins Prestatyn,

Those who intend to attend on the weekend only, tickets are available on Eventbrite. Please Note that you cannot enter on weekends without ticket.

Children's Ministry – Messy Church

On Sabbath 15th June there is a lady coming from the conference for whole Sabbath day to teach us how to reach the community using messy church. It would be beneficial to those who are working in the children's department to attend. It is a good outreach program. You are urged by the children's ministry leader to attend.

This will be at Chatham.

On-the-move

Bro Suko & Sister Busie would like to let the church family know that they are moving from Kent to relocate in Sheffield, South Yorkshire. No words can express the gratitude of having known all of you and having become a family and friends, and having worked with you so harmoniously and enthusiastically for the Lord. Your love will always be cherished.
